

Het **Stedelijk**  
COLLEGE ZUID

International School Twente and Stedelijk College Zuid are looking for a

## **SCIENCE TEACHER**

**(0.3 FTE - temporary vacancy due to replacement sick leave)**

International School Twente (IST) is an international school in Enschede with both a secondary and primary campus. IST is a small but growing dynamic school, which provides international education to students in the age range of 11 - 18, from over 30 countries. Education at College Zuid (CZ) prepares students for life in a world larger than Enschede or the Netherlands. Students at CZ can enjoy bilingual education and are prepared for international studies and/or careers. At the IST, students are prepared for the CAIE IGCSE exams and the IB Diploma Programme. A logical consequence is that mastering research skills (in the broadest sense) is an indispensable element of the education enjoyed by all our students - at CZ in particular for our vwo+ department, and at IST as a pillar of education.

### **Candidate profile**

**You are**

- a passionate and inspiring teacher
- flexible and willing to help develop the science department
- eligible to work in the EU
- setting high standards
- a teamplayer

### **Qualifications and experience**

**You:**

- have at least a Bachelor teaching degree in Chemistry
- are a Native level English language speaker
- have minimum two years of (preferably International) teaching experience
- have excellent knowledge and experience of different teaching strategies and educational methodologies
- have an understanding and knowledge of different cultural backgrounds
- have excellent communication skills and the ability to function well within a team.

COLLEGE ZUID

## We offer:

- a position for 0.3 FTE (8 lessons)
- a dynamic English language and international environment, in a growing school with an enthusiastic and professional team.
- a salary scale in accordance with the position and with the CAO for secondary education.

## Application Procedure

Should you be interested in applying for this position, please send an email to the attention of Chris Bonke, secondary school principal, [pz@hetstedelijklyceum.nl](mailto:pz@hetstedelijklyceum.nl) including the following:

- A cover letter explaining your interest in and qualifications for this position;
- A current cv, including phone numbers, e-mail address;
- The names, email addresses, and telephone numbers of 2 referees.

## International School Twente

IST secondary is an authorised Cambridge International Examination Centre and provides the International Cambridge Curriculum. In addition, we are an authorised International Baccalaureate (IB) World School. Therefore, we are fully authorised to offer both the international examinations of Cambridge as well as the IB Diploma Programme. Both curricula are taught in English. Our secondary school is part of the Dutch school group, Het Stedelijk Lyceum and works closely with the Dutch Secondary School College Zuid. On our website [www.internationalschooltwente.nl](http://www.internationalschooltwente.nl) you can find more information about education at IST.

COLLEGE ZUID

### **College Zuid**

At College Zuid, we challenge students to get their mavo, havo or atheneum diploma. We introduce students to other people and cultures. We let students look beyond and get to know the world outside Enschede and the Netherlands. Thanks in part to its bilingual education, College Zuid has a network of foreign secondary schools, with which exchanges are organised every year in various years. In addition to the international character of the school, College Zuid offers students the opportunity to discover and develop their sporting talents.
